### Coochiemudlo Island – May 17<sup>th</sup> – 19<sup>th</sup> May 2024

Hi Captains and Crew,

Here is some information about our upcoming trip to Coochiemudlo Island.

#### **FRIDAY**

For those of you lucky enough to be able to go out on Friday, Peel Island might be a good option for the night and then it is a quick trip around to Coochie from there.

#### **SATURDAY**

Options for launching the boats on Saturday morning are Raby Bay or Manly. You could use the VMR boat ramp at Victoria Point (**make sure the tide is high as it can be very shallow**) and it is only a short trip over to the island. We will anchor on the southern side of the passenger ferry jetty which is also out the front of the Beach Bar.

Lunch will be self-catered on board your boat or you may choose to go to the Curlew Café, the Café has a nice menu and a few basic supplies if you need. There is a very nice park out the front of the Café with tables, chairs, BBQ's and toilet facilities.

The afternoon is for relaxing and we will meet on the beach out the front of the Beach Bar for 'sundowners' at 4.00pm.

Dinner is booked for 6pm at the Beach Bar – **please let us know if you would like to be included in the booking ASAP** as we need to confirm final numbers two weeks out.

#### **SUNDAY**

Breakfast on board at your leisure and meet in the park around 10.30am if you are feeling energetic, we will do a walk around the island – this takes about 1 and ½ hours. Make sure you have suitable footwear and some mozzie spray.

The rest of the day is yours to enjoy!

#### **OTHER LAUNCH FACILITIES**

**HORIZON SHORES MARINA** – 80 Cabbage Tree Point Road, Steiglitz – charges apply for using the ramp and then per night (\$25 + \$10 per night thereafter).
