

Whittley Club Qld

Australia Day Thursday Jan 26th - Sunday 29th 2023

Plan A: Kooríngal-Peel Island- Little Ships Club over 4 days!

Trip Co-ordinator: Tim Bosgra. Ph 0414 950 815

Kooríngal update:

Looking good at this stage for the long weekend!! Here are some updates and details of routes. I've included a start from Raby Bay for those who wish to launch from there. These came from Navionics, and the *.gpx files are on FB and attached to the email.

Big Note, don't trust the routing, make sure you keep a close eye on your depth sounder at all times, and idle at shallow points, especially coming into Kooríngal (remember the skipper is always responsible). Here are some routing details:

Routing:

Manly to Kooríngal Entrance: 13.7Nm

Raby Bay to Kooríngal: 14.0Nm

Kooríngal Entry: 0.8Nm

Kooríngal to Horseshoe Bay, Peel Is. 10.8Nm

Raby Bay to Peel Is.: 5.5

Horseshoe Bay to LSC: 2.4Nm

Manly to Horseshoe Bay, Peel Is.: 12.2Nm

Total: 42.3Nm (Manly to Manly)

Remember to add at least 33% more fuel than you will need!

Timing:

If you are going across with Tim (Ameena) it is an **8.30am sharp** departure from Manly harbour entrance. Contact Tim if you have issues.
