## Kooringal Trip - Feb 7<sup>th</sup> Saturday - 8<sup>th</sup> Sunday 2026

### Plan A: Kooringal-Moreton Island

Trip Co-ordinator: Jason Johnstone - Ph 0417 789 729

#### Kooringal trip - Days Gutter with township of Kooringal

**Sat 7th Feb: Kooringal** (high tide) is around 11:50 am, Days Gutter & Mays hole is known for having turtle habitats mangroves, oyster leases including the 'Oyster Shack'. For lunch we will catch up at the "Gutter Bar" around 12.30pm. Alternatively, you can self- cater lunch on your boat.

**Departure Manly boat ramp south -**

#### **Timing:**

If you are going across with Jason (Nev'r Say Nev'r) it is an **8.30am sharp** departure from Manly boat ramp south on Saturday. Contact Jason if you have issues.

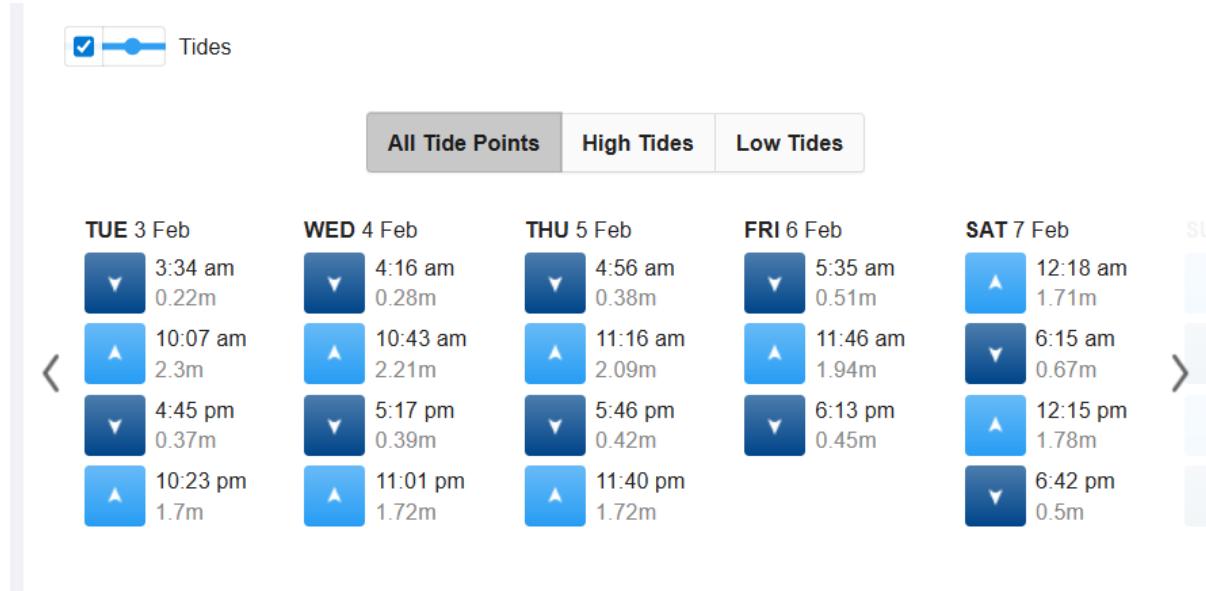

If want to leave on Friday , Darryl Ayson (0413 837 823) will be leaving from Manly boat ramp around 10.00 am Kooringal high tide is at 11.40am.?

You can check out the menu via the following link:

<https://www.thegutterbar.com.au/menus>

- Please note – The Gutter Bar does close at 4.30pm.

- After lunch we could go back to the beach & have a relaxing swim before sundowners watching the sun settle over the city of Brisbane.
- If the weather permits maybe we could do a Sundowners tender drift down Days Gutter?

**Sun 8<sup>th</sup> Feb:** Leisurely morning at your own pace before cruising back to your designated launch facility. High tide is at 12:46 am, so leaving roughly an hour around this time anchorage.

#### Departure Manly boat ramp south

## Departure Manly boat ramp -

**Big Note**, don't trust the routing, make sure you keep a close eye on your depth sounder at all times, and idle at shallow points, especially coming into Kooringal, high tide is at 11.46am Please note – all beacons have been removed from the Rouse channel leading into the Mt Cotton reach & Black Gutter, if you have a track marked in your chart plotter this shouldn't be an issue on a higher tide.

(remember the skipper is always responsible so please take due care)

- **Routing:**
- Manly to Kooringal Entrance: 13.7Nm
- Remember to add at least 33% more fuel than you will need!
- **Contacts:**
- VHF: Channel 72
- Phone: Jason Johnstone. Ph - 0417 789 729 ; Kelvin Deasy. Ph – 0411 503 966
- **To Do:** Make sure you let us know you are coming via Facebook or email Kelvin and Jason ([commodore@clubwhittleyqld.org.au](mailto:commodore@clubwhittleyqld.org.au))
