

WHITTLEY CLUB QLD

NOVEMBER 12-13TH 2022

TRIP REPORT

Unfortunately the much anticipated Tangalooma Island trip was replaced with 'plan B' due to unfavourable winds for a Moreton Island weekend.

13 boats turned up to enjoy a great day on Saturday. Our newest members met Brian at the boat ramp and he convinced them to abandon their plans to head to Couran Cove and join us at Peel Island for the day, where they then decided to join the Whittley Club. Welcome Barry and Debbie to our club!

It was a great day for swimming, trying to stand up on Brian's paddle board for me and Tim, some people lunching at Little Ship Club on the Saturday, and everyone coming together for the 4pm happy hour and sausage sizzle on Saturday afternoon.

As predicted, the winds made for a lumpy ride back to Raby Bay for those who departed on Sunday morning and we were very grateful that the 'plan B' call was made and we were not punching through the seas returning from Moreton Island.

Happy Hour!

Several nominations for the Golden Duck award were received:

1. Paul left his mast light on 30 mins after dawn
2. Michael left his navigation lights on after mooring.
3. Mark's dingy floated away after drinks on Sunday afternoon (he claims that the trip was over at that time - but this is not the first time though)
4. Ruby fell in while mis-judging the jump from the dingy to the boat, and Darryl got very wet retrieving poor Ruby.

The award went to Mark, see pic below!

Look forward to catching up with everyone at our next event...Dec 3rd for Christmas lunch!
