tips, and project updates.**

What Do You Know About Your Sprinkler System?

Struggling to wrap your head around your sprinkler system? Cottonwood Water and Sanitation and Resource Central can help with a FREE sprinkler evaluation. A 75-minute evaluation could help you save thousands of gallons of water each year.

During the audit, Resource Central associates run efficiency tests on your sprinkler system, make tune-up recommendations to reduce water waste, and provide a customized watering schedule designed to optimize your water use. It's easy to sign up and schedule! Simply register at ResourceCentral.org/Sprinklers, call (303) 999-3824, or use the QR Code:

This free offer is only available to the first 45 Cottonwood Customers to call, so act fast, appointments are limited!

Little, Free, and Full of Summer Reads

Check out the Little Free Library outside of the Cottonwood Water and Sanitation District Meeting House at 8334 Sandreed Circle for some great books to check off your summer reading list. Read and return, or if you love it enough to keep it, you can donate one in its place!

The Cottonwood Community Garden

This is the second year of the Cottonwood Water and Sanitation District Community Garden! The garden is located next to the District meeting house at 8334 Sandreed Circle. In our garden, there are eleven plots that members of the community have rented for the summer to plant a variety of things from garlic to geraniums. The garden opens in May and runs through October, offering gardeners a place to exercise their green thumb. One bed is still open for rent for \$35 for the summer, please contact Becca@mulhernmre.com if you are interested in learning more.

EyeOnWater®

Stay Ahead of Leaks

Try EyeOnWater, a **free** service for Cottonwood Water customers. EyeOnWater allows you to monitor your water usage and set notifications when a leak is detected. Sign up today at eyeonwater.com. Select "create account" and use the account number on your bill to start using EyeOnWater today.

SAFETY IS IN YOUR HANDS.
EVERY DIG. EVERY TIME.

**Have a summer project
planned?**

Call 811 before you dig!

To avoid accidentally damaging a buried utility line, call 811 a few days before you plan to break ground. A utility operator in your area will come out to mark any buried utility lines on your property with paint or flags.
