Irrigation System Audit

Get a **FREE audit** for your sprinkler system through Resource Central. This is FREE for the first 45 Cottonwood Water customers to sign up. Scan the QR code below for more information:

HAPPY

Father's Day

EyeOnWater[®]

The Eye on Water app helps you understand your water consumption data, detect leaks, and follow your watering trends. You can view various graphs to show your use and see hourly, even 15-minute data intervals. Watch your irrigation and find leaks as they happen.

Download the FREE app on your smart phone or desktop today. Scan the QR code to sign up:

Summer Irrigation Guidelines

- Irrigate between the hours of 6:00pm and 9:00am
 - This helps reduce water loss from wind and evaporation
- Water your lawn no more than three days per week
- Postpone watering during rain or high winds
- Use a drip line where possible
- Put your sprinkler system on a timer
- If you see water running into the gutter, it means that your lawn is saturated and your sprinkler should be turned off
- Make sure that your sprinklers are aimed at your lawn or garden, and aren't spraying excessively onto your driveway, sidewalks or road
 - Water that ends up in the gutter will not help your garden grow!
- Avoid over-fertilizing, as fertilizers increase the need for water
 - Apply fertilizers that contain slow-release, water-insoluble forms of nitrogen

Next Meeting of the Board

Thursday, June 20, 2024 @ 6:30pm
at the Cottonwood Meeting House
8334 Sandreed Circle, Parker, CO 80134

The Public is Invited to Attend

Garden in a Box Summer Orders

Did you miss the spring Garden in a Box order period? Great news! Resource Central is opening orders in June for pickup in August and September. The Garden in a Box program makes it easy to have a professionally designed, waterwise yard of your own. These boxes include a variety of low-water plants that are designed to look great and lure local pollinators like butterflies and bees.

Cottonwood Water and Sanitation customers can also send in their Garden in a Box receipt for a credit of \$75.00 on their water bill (first-come, first-served up to \$5,000).

Garden in a Box Testimonial

Ryan, a returning customer of the Garden in a Box program, recently shared his success with us:

"I love the program. You can't beat the price and they help you with plant location. They offer a lot of options that are native and attract beneficial pollinators. I have bought the veggie garden now for 5 years and will be buying both the veggie and another garden this year. Pickup is easy as they offer pickup at Parker/470."
