Roy Vander Wyk
BUILDING OFFICIAL

The issuance of this Occupancy Permit in no way relieves the owner from the full responsibility of ensuring the work complies with the provisions of the Building Code and the Corporation of the District of Kent Building Bylaw. This Occupancy Certificate does not imply nor is it intended to be a warranty that the building complies with the Building Code or any Bylaws of The Corporation of The District of Kent. This Certificate does not include any approval in respect to other authorities who may be required to approve other aspects of the building, including but not limited to electrical wiring, gas and the septic tank and disposal field.
