

John Paul II Catholic School

New Student Referral Incentive Program

John Paul II is looking for new students and we can use your help!

Our New Student Referral Incentive Program is back for the 2021-2022 school year! The program awards a referring family with a \$100 tuition credit for each new student that is referred to, enrolls in, and attends John Paul II. (Refer a family that enrolls 2 students and receive a \$200 tuition credit, refer a family that enrolls three students and receive a \$300 tuition credit, etc.)

- The referral program is for parents or guardians who are paying tuition for enrolled students in grades K-8 at the time of the credit distribution.
- The incentive award per newly referred K-8 student is applied two times per year in October and March. Referred students must be enrolled at the beginning of a semester for the referring family to receive their first distribution. (If a referred student begins mid-semester, their referral award distribution will be pro-rated and begin during the second semester of enrollment.)
