

THE VICTORY VILLAGE PROJECT

Located at 2791 E. Adams Street in Show Low, Arizona.

Our vision is to build **10 homes** in a village-like setting that will accommodate single adults and families as they get back on their feet.

Named **Victory Village**, these homes will provide a **safe** environment for our homeless as they focus on putting their lives back together through our structured program.

We are currently under development of this transitional housing community, networking with the City of Show Low and Navajo County. With the help of local businesses, community volunteers and God's blessings, we will achieve our goals.

YOUR donations will help us move our mission forward!

TESTIMONIAL

"Victory Village has been a huge blessing for my family. They have helped me in countless ways including being a more productive member of our community and providing me with housing and an opportunity to better my life. My family is greatly appreciative of everything that they have done for us. I have never met a nicer group of people. I highly recommend them if your family is in need."
