

## ABOUT OUR PROGRAM

The White Mountain Coalition Against Homelessness (W.M.C.A.H.), dba White Mountain Victory Village was formed in 2015 by several churches, agencies and concerned citizens to serve the homeless population of Northeastern Arizona with a **hand up**, rather than a **handout**.

### What is Transitional Housing?

Transitional Housing is a community project that offers longer support to individuals and families experiencing homelessness by providing a stable and supportive living environment while having residents work towards finding permanent housing.

## WHITE MOUNTAIN VICTORY VILLAGE PROGRAM

### How does our program work?

This is a CLEAN and SOBER working program for people who WANT to help themselves. We provide a safe living environment and supportive services to people who are wanting to put their lives back together from whatever traumatic event that made them homeless to begin with. We will assist individuals in developing the skills and help find resources necessary to move into permanent housing, such as life skills training, employment assistance and access to community resources, rent, deposits, food and clothing.

**80% of our clients complete our program because we ask them to invest in themselves!**

## "HELPING PEOPLE FIND THEIR WAY TO A NEW LIFE"

*"For I was hungry, and you fed me I was thirsty, and you gave me a drink. I was a stranger, and you invited me into your home. I was naked, and you gave me clothing. I was sick, and you cared for me. I was in prison, and you visited me."*

*"I tell you the truth, when you did it to one of the least of these my brothers and sisters, you were doing it to me".*

Matthew 25:35-36 & 40b
