## Lesikar Ranch

A TEXAS TRADITION SINCE 1960

Dear Angus Friends and Fellow Cattlemen,

We would like to take this opportunity to welcome you to Lesikar Ranch and invite you to attend the Back to Basics Sale being held at our Athens Division on Saturday, April 29, 2017. We will begin with our tradition of serving an old fashioned Southern chicken fried steak lunch at noon, followed by our sale starting at 1:00 pm.

Looking through the catalog, you will notice we have some thing special for everyone, giving great value to the Angus cattle we raise and are offering. The Back to Basics production sale and theme is the motto of our operation. These cattle work for you, not the other way around. The 5th Production Sale will feature 100 Angus Females that will fit any herd. Having great pride in our program allows us the confidence to stand behind and guarantee all of our cattle.

We are focused on breeding cattle that are moderate framed, cost efficient, thick and deep and work for you. The genetics at Lesikar Ranch are aimed towards forage efficiency, easy fleshing, docility, calving ease, balanced traits, longevity of service, maternally complete and as we advertise with our bulls, "Big Butts". Now is the perfect time to bring these outstanding Lesikar females to your operation and have them start working for you.

We want to express our sincere gratitude to Martin Lopez, Athens Manager and Daylon Yandell, Herdsman. Our entire breeding program, along with this sale, would not be possible without all of their hard work and dedication.

First Monday Canton Trade Days happens to be the same weekend as our sale. Lesikar Ranch is a family ranch with family values. Please bring your family and join ours for a full weekend of fun!

We look forward to seeing you!

*Lyn & Harriet Lesikar*

# Foundation Donors

Sedgwicks Barbara 087 is one of the foundation donors here in the Lesikar Ranch Program. She has never been heavily promoted and this is her first photo ever taken. She is not only an easy keeper, but a prolific producer as well. She combines the traits of feed efficiency, carcass merit and productivity, which are so essentially vital for ranches trying to make a return on their investments. Throughout her career at Lesikar Ranch, she has produced and sold over \$395,000 worth of progeny marking her place in history here as the #1 money producing dam for the Program. Lots 1 thru 8 are all part of this tremendous family. Don't miss this great opportunity to add these genetics to your herd.

Sedgwicks Barbara 087 family is a diverse and relatively large one. In 2010, she gave the Lesikar Ranch Program an outstanding set of Flush Brothers, Lesikar Rebound X931 and Lesikar Surefire X126. These two Bulls have been collected and used as part of the AI Program here. Their calves are absolutely outstanding and are always in top of their class. The Barbara Family has its roots deep in our Program and has been extremely beneficial to us. Check out the Reference Sires page for information on these two as well as look at some of the calves out of them in this years sale.

**A Plus Blackcap 0037 is another great foundation donor of the Lesikar Ranch Program. This outstanding donor ranks 2nd at Lesikar Ranch for prgeny sold, bringingin almost \$313,000. Lots 9 thru 16 are all part of the Blackcap 0037 family. **A Plus Blackcap 0037 is on the same path as the Baraba Family, extending its roots deep in to the Program here. In 2009, 0037 gave the Lesikar Ranch Program a tremendous gift. Three Full Flush Brothers that were powerful and impressive in every way. Lesikar Impact W601, Lesikar Emlazon W604, Lesikar Legacy W607 have been leading the herd in calves for years now. Legacy and Emlazon are used in the pasture to cover any females that AI might not have taken on, while Impact is collected and used solely for AI purposes. Each of these brothers produce calves that are identical. Check out the Reference Sire page to see info on these bulls and also take a minute to inspect their calves in the sale.**

So here is a terrific opportunity to add double the genetics into your herd. Lots 11 and 12 are cousins that have identical pedigrees. Both being sired by the Rebound who brings a great deal of power and growth to the table. Then you add in the mating of the legenday Jauer bull with 0037 and power is the only word that comes to mind. These two are going to bring everything you ever wanted to your herd.
