Angus Production Sale

Sunday, April 26, 2009 • 1:00 p.m.
At the ranch near Athens, Texas

SELLING 75 PREMIER ANGUS LOTS Donors • Pregnancies • 30 Pairs • 17 Bred Heifers • 10 ET Open Heifers

J&J 1680 Racquel 534 +15134194AMF

BW	WW	YW	M	MARB	RE	FAT	\$W	\$F	\$G	\$B
+1.1	+35	+72	+23	+25	+42	-.020	+23.50	+17.38	+25.16	+48.84

These Precision daughters that prove to be AMF are going to be more valuable than ever. This one combines his outstanding carcass potential with the maternal strength of EXT. Raquel 534 earned individual ratios of 103 for IMF and 109 for RE. She has one calf that posted ratios of 91 for birth, 108 for weaning, 115 for yearling and 106 for RE and ranks in the top 3% of the breed for RE and 10% for \$Beef. Sells bred on 2/3/09 to the Lesikar herd sire Lesikar Direction T47(15672625), who is a son of ABS Global Morgans Direction out of HA Blackcap 1137.

Pride Ms 1680 Frontier 776 +15821252AMF

BW	WW	YW	M	MARB	RE	FAT	\$W	\$F	\$G	\$B
+2.9	+41	+81	+18	+50	+18	-0.07	+20.51	+23.75	+30.57	+52.58

When you study this heifer's pedigree you will see a sire stack that covers all the bases with phenotype, carcass merit and maternal strength. She is super stout with a beautiful rib shape and a long, level hip. 776 ranks in the top 3% of the breed for \$Beef and 10% for Marb, \$Grid and \$Quality Grade. She is due to calve 8/20/09 to the number three bull in the breed for \$Beef, Objective.

Premium Gold Queenie 302R +15309454AMF

BW	WW	YW	M	MARB	RE	FAT	\$W	\$F	\$G	\$B
+6	+41	+78	+11	+53	+33	+0.22	+23.88	+20.86	31.08	+48.56

Offering a special opportunity to purchase a daughter of the Roden Angus donor, GAR EXT 916, the dam of the long time feature at ABS Global, Alliance 187. Queenie 302R earned individual ultrasound ratios of 116 for IMF and 109 for RE. This enticing female ranks in the top 10% of the population for Marb, RE, \$Grid, \$Quality Grade and \$Beef. She was bred on 2/3/09 to the exciting young spread sire with an outcross pedigree from ABS Global, Connealy All Around.

Lesikar Pride T269 16087148

BW	WW	YW	M	MARB	RE	FAT	\$W	\$F	\$G	\$B
+1.1	+51	+88	+22	+46	+54	-0.03	+29.84	+26.80	+32.71	+56.95

Pride T269 has a beautiful rib shape and hip to die for. The combination of Precision 1023 and New Frontier offers that awesome phenotype with breed leading carcass potential and performance which is evident in the fact that this female earned individual ratios of 98 for birth, 108 for weaning, 104 for yearling, 120 for IMF and 113 for RE ranking her in the top 1% of the breed for RE and 2% for \$Beef. She also ranks in the top 10% for nine other EPDs. This outstanding individual will sell bred to the exciting young outcross sire from ABS Global, Connealy All Around.

(817) 738-2177

Dear Angus Friends and Fellow Cattlemen,

It is our pleasure to invite you to join us for our Second Annual Female Production Sale, being held at our Athens Division on Sunday, April 26, 2009. For those of you who have requested, we will have a few bulls at the finale of our sale.

Here at Lesikar Ranch we have designed a program that concentrates on breeding Angus cattle for balance, not extremes, with emphasis on carcass merit and efficiency. These are the type of cattle that you can turn out, and they will go to work for you. Our offering consists of genetics that should enhance your program. By combining the best new genetics with those of the older bloodlines, we have been able to create a herd of hard-working cows that are not just prolific producers but also easy keepers.

To name a few of the donors that are working well for us this year: Twin Eagles Erica 668K, Twin Eagles Burgess 750L, the Blackcap family of 0037 and 1137 and pregnancies from our newest donors, TF Evergreen 7445 and Lesikar Erica S624.

We are grateful to have on our staff Adam Davis and Tom Baker as managers with Martin Lopez and Kenton Baker as herdsman. Without their hard work and dedication, this event would not be possible.

All cattle, except those who have no carrier ancestry, have been tested for the "Curly Calf" gene and are AMF.

Please plan on having lunch with us at noon followed by our sale at 1 P.M. on Sunday, April 26. We look forward to seeing you!

We lead off this year's event with a breathtaking young donor sired by the high end product sire, Retail Product, who has built a reputation for producing high volume females with beautiful udders on a moderate frame. The dam of this female, Lucy 9083, was the \$20,000 selection of Limestone LLC & Sandpoint in the historic A Plus dispersal and is well-known for producing cattle that offer a huge ribeye, which is evident with Lucy 313R ranking in the top 1% of the breed for that trait. She also ranks in the top 1% for \$Beef and 5% for \$Grid. This valuable donor scanned well, earning individual ultrasound ratios of 110 for IMF and 115 for RE. She has one natural calf turned in to AHIR that earned ratios of 100 for birth and 102 for weaning with four head scanned by ultrasound that ratio 113 for IMF. Lucy 313R sells bred to the high growth sire from Genex/CRI, Traveler 004, due 9/28/09.

Thomas Lucy 9083 - Dam of Lot 1.

Offering a special opportunity to purchase a daughter of the Roden Angus donor, GAR EXT 916, the dam of the long-time feature at ABS Global, Alliance 187. The beauty of this young donor is no surprise with both of her parents being known for producing extremely eye-appealing, valuable cattle. Queenie 302R earned individual ultrasound ratios of 116 for IMF and 109 for RE. Her Pathfinder Dam has an impressive production record of 4 at 99 for birth, 5 at 106 for weaning and 4 at 108 for yearling with 45 head scanned by ultrasound that ratio 104 for IMF and 102 for RE. This enticing female ranks in the top 10% of the population for Marb, RE, \$Grid, \$Quality Grade and \$Beef. She was bred on 2/3/09 to the exciting young spread sire with an outcross pedigree from ABS Global, Connealy All Around.

We lead off the fall calving bred heifers with an extra powerful Predestined daughter that really covers all the bases with carcass potential, eye appeal, breed leading EPDs and maternal strength. This outstanding heifer earned individual ultrasound ratios of 102 for IMF and 104 for RE. She ranks in the top 1% of the breed for \$Beef and top 3% for CW, Marb and RE. Her dam has two head turned in to AHIR that ratio 104 for IMF and 102 for RE. Ellie T682 was bred on 1/10/09 to the number three sire in the breed for \$Beef, Objective.

Boy oh boy, Lyn and the guys really dug deep when they were putting this sale offering together. You will love the width of base and depth this heifer possesses. She offers a balanced set of breed-leading EPDs, ranking in the top 4% of the breed for \$Beef and top 15% for eight other traits. The grandam of this female is the Lesikar donor Barbara 087, who has a production record of 4 at 101 for weaning and 3 at 104 for yearling with 21 at 104 for RE. This awesome female sells due to calve 9/24/09 to the big spread sire from ABS Global, In Focus.

She offers a balanced set of EPDs and ranks in the top half of the breed for \$Energy. Pride 603 sells with Lot 68A, a 2/8/09 bull calf (W457) that weighed 72 lbs. at birth and is sired by the past Denver champion, Crossover. She will be bred back to the Select Sires standout, Predestined.

A full brother to Lot 69, which means that his dam is the beautiful Lesikar donor, Burgess 750L, who is an own daughter of the Classic Oaks Ranch donor, Burgess 9523, that has a production record of 2 at 95 for birth, 109 for weaning and 104 for yearling with 9 at 101 for IMF and 104 for RE. This awesome calf earned an individual RE ratio of 101 and ranks in the top 10% of the breed for five different traits including top 1% for RE and top 2% for \$Beef. It is hard to see much difference in these two great brothers!

E&B 1680 Precision 1023 - Sire of Lot 71.

Offering a deep sided, soggy calf sired by the popular spread sire from ABS Global, In Focus, stemming from the famous Blackcap 920, who is a full sister-in-blood to breed legends like Precision 2536 and Precision 706. He earned individual ratios of 102 for weaning, 103 for yearling and IMF and 108 for RE. Focus T313 ranks in the top 10% of the breed for four different traits including \$Beef.

We lead off the bulls with a super stout herd sire prospect that is a son of one of the most dominant sires our breed has seen, Predestined. His dam is the beautiful Lesikar donor, Burgess 750L, who is an own daughter of the Classic Oaks Ranch donor, Burgess 9523, that has a production record of 2 at 95 for birth, 109 for weaning and 104 for yearling with 9 at 101 for IMF and 104 for RE. This deep bodied calf earned individual ratios of 119 for weaning, 118 for yearling and 124 for RE and ranks in the top 4% of the breed for six different traits including top 1% for CW, RE and \$Beef. Take advantage of a golden opportunity to get a herd sire!

A full brother to the beautiful heifer that sells as Lot 11 in this event as well as a maternal brother to the two previous bulls in this book. You can really see the producing power of his dam when you evaluate her progeny that we offer today. She is an own daughter of the Classic Oaks Ranch donor, Burgess 9523, that has a production record of 2 at 95 for birth, 109 for weaning and 104 for yearling with 9 at 101 for IMF and 104 for RE. He offers a balanced set of EPDs and ranks in the top 10% of the breed for RE and top 15% for \$Beef.

You can see these Precision 1023 sons a mile away with their clean front ends and smooth overall design, just packed full of red meat. This one stems from the same great Classic Oaks Ranch donor as the previous three bulls in this book. This phenotypic stud earned an individual RE ratio of 118 while his donor dam has 22 head turned in to AHIR that ratio 102 for IMF and 100 for RE. He ranks in the top 1% of the breed for RE and top 4% for \$Wean.

Here we have a long spined, deep flanked calf that is sired by the outcross bull Power One, who is noted for CE and maternal excellence with a chiseled look, out of a cow that traces to the legendary Scotch Cap 867, who is the cornerstone donor for the famous Blackcap family that has dominated the Angus breed for years in terms of carcass merit. Don't miss this complete CE heifer bull!
