Lesikar Ranch presents

“Big Butts”

Angus Bulls

4th Herd Bull Sale Annual

Saturday, November 16, 2019 • 1:00 PM

At the Ranch Near Athens, Texas
Dear Angus Friends and Fellow Cattlemen,

We would like to take this opportunity to welcome you back to Lesikar Ranch and invite you to attend the 4th “Big Butts” Bull Sale being held at our Athens Ranch on Saturday, November 16, 2019. The Bulls will be available for viewing by appointment before the Sale and all day on Friday, November 15. We will begin by serving a Fried Catfish Lunch at noon, followed by our sale starting at 1:00 pm.

As we enter the start of a new breeding season, what better time to procure a bull then right when you need it. The bulls that we are offering are ready to be turned out and start breeding immediately. They are Range Ready and can handle any soil condition.

Our genetics are moderate framed, cost efficient, thick and deep. The efficiency of these bulls requires less feed to keep them in shape and for maintenance. Our herd bulls return to the pen in the same condition that they were when they went to pasture to breed for the season. We have integrated a lot of the “Older” Foundation Genetics into our herd to help create these special type of cattle. We pride ourselves on actually having balanced traits and not chasing after 1 or 2 traits. These cattle are what Angus should be and will work like they were meant to. These genetics not only give you the opportunity to retain replacements, but also to send to a feedlot and make money there.

The top 2 questions that are asked by breeders looking at our bulls, will they work on heifers and how is their docility. Most of our bulls will work on heifers, while still giving the ability for the calf to grow and develop into an outstanding animal. When it comes to docility, we pride ourselves in this trait. The bulls we develop are all docile and that is why we guarantee and stand behind it 100%. What other Ranch is willing to give this guarantee?

We want to express our sincere gratitude to Martin Lopez, Athens Manager and Jacinto Nunez, Poolville Herdsman. Our entire breeding program, along with this sale, would not be possible without all of their hard work and dedication.

Lesikar Ranch is a family ranch with family values. Please bring your family and join ours for a full weekend of fun!

We look forward to seeing you!

LESIKAR BREEDING GUARANTEE:
We offer a full breeding season guarantee for any injury that would keep the bull from being a breeder for the first breeding season. All the bulls have passed a breeding soundness exam by our veterinarian. We require that you notify Lesikar Ranch about the bull in case of injury. If a problem occurs, we will give you a suitable replacement or you will receive full credit, minus the salvage value of the original bull, toward another purchase in next year’s sale. We also reserve the right to a second opinion by a veterinarian of our choice. In the situation where we need to bring the bull back to the ranch for our vet to examine, it’s the buyer’s responsibility to get the bull back to our ranch at their expense. We will pay to have our vet examine the bull again, if he passes the exam, it’s the buyer’s responsibility to come pick up the bull at our ranch at their expense.

BREEDING/DOCILITY GUARANTEE TERMS:
1. Lesikar Ranch must be involved in the sale of a returned bull, otherwise, no credit will be issued.
2. A returned bull must weigh 70% of sale day weight upon return in order for any credit to be issued.
3. In the event a bull is re-sold to a third party after the Lesikar Ranch Bull Sale, the guarantee is void.

FOOD AND REFRESHMENTS:
Join us at noon on Saturday for a Fried Catfish lunch.

All cattle are to be settled for on sale day, prior to load out, unless prior arrangements have been made. Terms of the sale are cash or check. Sedgwicks Barbara 087 is one of the foundation donors here in the Lesikar Ranch Program. She has never been heavily promoted and this is her first photo ever taken. She is not only an easy keeper, but a prolific producer as well. She combines the traits of feed efficiency, carcass merit and productivity, which are so essentially vital for ranches trying to make a return on their investments. Throughout her career at Lesikar Ranch, she has produced and sold over $395,000 worth of progeny marking her place in history here as the #1 money producing dam for the Program.

Sedgwicks Barbara 087 family is a diverse and relatively large one. In 2010, she gave the Lesikar Ranch Program an outstanding set of Flush Brothers, Lesikar Rebound X931 and Lesikar Surefire X126. These two Bulls have been collected and used as part of the AI Program here. Their calves are absolutely outstanding and are always in top of their class. The Barbara Family has its roots deep in our Program and has been extremely beneficial to us.

A Plus Blackcap 0037 is another great foundation donor of the Lesikar Ranch Program. She is the result of one of the most successful matings to date of the great Pathfinder Sire N Bar EXT with the legendary Pathfinder Dam G A R Scotch Cap 867. Full sisters to 0037 include the $120,000 G A R EXT 2114, the $300,000 G A R EXT 2104, and the $480,000 valuation Coleman Blackcap 0813. This outstanding donor ranks 2nd at Lesikar Ranch for progeny sold, bringing in almost $313,000.

A Plus Blackcap 0037 is on the same path as the Barbara Family, extending its roots deep into the Program here. In 2009, 0037 gave the Lesikar Ranch Program a tremendous gift. Three Full Flush Brothers that were powerful and impressive in every way. Lesikar Impact W601, Lesikar Emblazon W604, Lesikar Legacy W607 have been leading the herd in calves for years now. Legacy and Emblazon are used in the pasture to cover any females that AI might not have taken on, while Impact is collected and used solely for AI purposes. Each of these brothers produce calves that are identical.
