Lesikar Ranch

A TEXAS TRADITION SINCE 1960

Dear Angus Friends and Fellow Cattlemen,

We would like to take this opportunity to welcome you back to Lesikar Ranch and invite you to attend the 9th Back to Basics Sale being held at our Athens Ranch on Saturday, April 24, 2021. The cattle will be available for viewing by appointment before the Sale and all day on Friday, April 23rd. We will begin with coffee and donuts for breakfast and then continue with our tradition of serving an old fashioned Southern chicken fried steak lunch at noon, followed by our sale starting at 1:00 pm. If you cannot make the Sale in person, please join us online with CCI.Live to view and make your purchase.

Looking through the catalog, you will notice that we have been concentrating on cattle that have great Maternal traits. The Sires we use bring great value to the Angus cattle we raise and are offering to you. The Back to Basics production sale and theme is the motto of our operation. These cattle work for you, not the other way around. The 9th Production Sale will feature over 50 head of Angus Cattle that will fit any herd. Everything from open/bred heifers to prospective donors. Having great pride in our program allows us the confidence to stand behind and guarantee all of our cattle.

Our genetics are moderate framed, cost efficient, great maternal traits and growth. The efficiency of these cattle requires less feed to keep them in shape and for maintenance. We have integrated a lot of the "Older" Foundation Genetics into our herd to help create these special type of cattle. We pride ourselves on actually having balanced traits and not chasing after 1 or 2 traits. These cattle are what Angus cattle should be and will work like they were meant too. These genetics not only give you the opportunity to retain replacements, but also to send to a feedlot and make money there.

We want to express our sincere gratitude to Martin Lopez, Athens Manager and Jacinto Nunez, Poolville Herd Manager. Our entire breeding program, along with this sale, would not be possible without all of their hard work and dedication.

Lesikar Ranch is a family ranch with family values. Please bring your family and join ours for a full weekend of fun!

We look forward to seeing you!

Jason Lesikar

AIR TRAVEL:

Lesikar Ranch is 1.5 hours from Dallas/Fort Worth International Airport.

FOOD AND REFRESHMENTS:

Join us at noon on Saturday for an old fashioned Southern chicken fried steak lunch.

TERMS & CONDITIONS:

All cattle are to be settled for on sale day, prior to load out, unless prior arrangements have been made. Terms of the sale are cash or check. The cattle sell under the Terms and Conditions of the American Angus Association. Supplements to the sale book and announcements made from the block take precedence over what is written in the sale book.

TRUCKING:

Cattle may be loaded following the sale or may remain at the ranch until trucking can be arranged. If you are unable to haul the cattle yourself, please contact Jason Lesikar for help in getting Trucking arranged. Lesikar Ranch makes no guarantees regarding the cost of shipping. Those arrangements are between buyer and hauler.

HERD HEALTH:

All cattle will be accompanied by proper health certificates for immediate shipment.

INSPECTION OF SALE CATTLE:

Cattle will be available for viewing any time on Friday, April 23rd at the ranch near Athens, Texas. If you would like to view the cattle prior to the 23rd, please contact Jason Lesikar, 817-726-7998.

DNA TESTING:

All the Bulls have been tested through ANGUS GS for DNA results.

PREGNANCY EXAMINATION INFORMATION:

All females as listed A.I. bred in the sale book were not exposed to a bull. Pregnancy verification was performed using BioPRYN Testing.

LIABILITY:

All persons attending the sale and related functions do so at their own risk. Lesikar Ranch, staff and sale staff assume no liability, legal or otherwise, for any accidents or injuries that may occur.

EPDs current as of 04/01/2021.

Spring Pairs - Heifer Calves

Lot 1 - Lesikar Blackcap E964

A Plus Blackcap 0037 is another great foundation donor of the Lesikar Ranch Program. She is the result of one of the most successful matings to date of the great Pathfinder Sire N Bar EXT with the legendary Pathfinder Dam GAR Scotch Cap 867. Full sisters to 0037 include the \$120,000 GAR EXT 2114, the \$300,000 GAR EXT 2104, and the \$480,000 valuation Coleman Blackcap 0813. This outstanding donor ranks 2nd at Lesikar Ranch for progeny sold, bringing in almost \$405,000. She is the Great Granddam of Lot 1.

ANGUS 65
From the Angus Handbook

Thank You For Coming to the Sale

Driving the science of better breeding

There's little room for error in the cattle business. Producers need the most advanced information to make smart selection decisions, and Angus Genetics Inc. (AGI) provides it through genomic-enhanced expected progeny differences (GE-EPDs).

GE-EPDs have become the industry standard for herd improvement, building on decades of science-backed genetic evaluation tools originated and maintained through the American Angus Association®, home to the largest and ever-growing single-breed beef cattle database.

EPDs that traditionally contained all pedigree, performance and progeny information now also include results from available genomic, or DNA, tests. Breeders who use genomic technology give buyers access to AGI-generated GE-EPDs that provide:

Increased predictability and decreased risk for young and unproven animals due to enhanced accuracy of EPDs

Better characterization of genetics for difficult-to-measure performance traits (such as carcass traits, maternal traits and feed efficiency)

The ability to make more rapid progress for traits that are important to you, due to:

- more accurate selection
- easier identification of genetic outliers
- the ability to propagate young animals with confidence earlier in their lives

In fact, GE-EPDs on unproven animals have the same amount of accuracy as if they had recorded 10-36 calves, depending on the trait. That's valuable insight, offered regularly through the breed's weekly national cattle evaluation.

Trait	Progeny Equivalent	Trait	Progeny Equivalent
Calving Ease Direct	26	Heifer Pregnancy	17
Birth Weight	23	Calving Ease Maternal	20
Weaning Weight	27	Milk	36
Yearling Weight	23	Mature Weight	15
Dry Matter Intake	12	Mature Height	9
Scrotal Circumference	15	Carcass Weight	15
Docility	12	Yearling Height	17
Claw Set	10	Carcass Marbling	11
Foot Angle	10	Carcass Ribeye	17
		Carcass Fat	14

How do you know if EPDs are genomic-enhanced?

Ask your breeder, refer to the registration paper, or look for the AGI GE-EPD logo, Angus GS™ powered by partner Neogen GeneSeek or the HD50k by partner Zoetis. These images indicate animals for which low-density or high-density genomic testing has been conducted and incorporated by AGI into GE-EPDs
