ABOUT US

The **2022 Washington State Master Gardener Advanced Education Conference** is produced by the Master Gardener Foundation of Washington State (MGFWS) in partnership with the Washington State University. The Conference provides significant WSU-approved Continuing Education to Master Gardeners who serve our communities in Washington State and helps to train volunteers to be effective community educators in horticulture and environmental stewardship by providing science-based information generated from research at WSU and other university systems.

WAYS TO GET INVOLVED

CONFIRM AS A SPONSOR

Join us as a Conference Sponsor to demonstrate your leadership and alignment with the following:

- Support advanced scientific gardening education of colleagues, all of whom make a difference in our State
- Provide public education in gardening and environmental stewardship generated from research at WSU and other university systems through education, communication, and advocacy
- Offer statewide volunteer-based unifying leadership to, and communication among, county and regional WSU Master Gardener Program, Foundations, and affiliates
- Support the training and projects of county WSU Master Gardener programs throughout Washington State
