PRESIDENT'S MESSAGE

December 2023

Another year is fast coming to an end and I would like to thank each member of the Board of Directors, those members who provided services during the year, and each friend of the Hernando 10-13 who advertise in this Newsletter for providing support during the past year. Your support provides for services we provide to current members of the club as well as the families of our deceased members. Dues payments, advertisements and donations support the RMP, Honor Guard, and a limited amount of food prior to each of our monthly meetings. We thank you for your past support and look forward to your continued support.

A major topic of conversation has been and will continue to be the City's attempt to change/modify retirees health insurance coverage. It has been quiet lately and will remain so until the litigation moves its way through the court system. As the litigation moves along, we will keep you up-to-date on the actions of the city, the unions and other organizations involved in this process. Please make yourself aware of the issues and the status of negotiations and litigations as any modification /change could have a severe financial impact on you and your family.

We will be gathering for our annual Christmas Party on December 6th. Hope to see you then. The next Hernando 10-13 Club meeting is scheduled for December 13th.

There are several other events scheduled for the upcoming months and hopefully you will be able to attend these activities. Information regarding these events can be found on the "Important Reminders" pages of the Newsletter.

Merry Christmas
Arthur Babcock,
President
