PRESIDENT'S MESSAGE

December 2022

We have been slowly getting back to normal since experiencing the Chinese Covid virus for the past two (2) years. In addition to the monthly meetings we have scheduled several events over the next couple of months and hopefully these activities will provide an incentive for you to again participate with your brothers and sisters in blue. Information regarding these events can be found on the "Important Reminders" pages of the Newsletter.

A major topic of conversation has been and will continue to be the City's attempt to change/modify retirees health insurance coverage. Several e-mails have been sent out over the past several weeks to keep members up to date on the actions of the city, the unions and other organizations involved in this process. Please make yourself aware of the issues and the status of negotiations and litigations as any modification /change can have a severe financial impact on you and your family. We will attempt to keep you up to date at each meeting and answer any questions you may have.

Of course, we cannot get away from the City's continuous attempts to eliminate the hard-fought negotiated benefits obtained many years ago. However, we can support those who are providing that assistance in maintaining our health insurance benefits.

The next Hernando 10-13 Club meeting is scheduled for December 14th. In addition, we will be gathering for our annual Christmas Party on December 16th. Hope to see you then.

Arthur Babcock, President

Merry Christmas to all.
