PRESIDENT'S MESSAGE

January 2023

Here we are at the beginning of a new year looking both, backward at where we have been and forward to where we hope to be, praying that we will be much more successful than last year. A major issue that has been around for several years is the continuous attempts of the city, collaborating with several labor unions, to change/modify retirees health insurance coverage. Several efforts have been turned back by the courts yet the city, and their labor union cohorts, are now attempting to change the Administrative Code Section 12-126 to remove any obligation of the city to absorb the cost of retirees health insurance coverage. The unions representing the Captains, Lieutenants, Sergeants, and Detectives have been vocal with their objection to the city's effort. The PBA has been silent on this issue and could not even find time to provide an up or down vote on the city's attempt to modify the Administration Code Section 12-126. We should consider supporting those who are aiding in maintaining our health insurance benefits.

As we receive information regarding this very important issue to us all, we will pass it along. Along these lines Joe Wolff and Ed Dunbar have been working on developing a Web Page for Hernando 10-13 Club which will contain all this information in addition to other items of interest. The Web site is not totally complete however, it is far enough along to make it public. The Web site address is www.hernando10-13.com, please view the site, explore it and familiarize yourself with its multiple pages.

Finally, thank you to all those members who attended the funeral services for the son of John and Mary Caruso. They need our support in the coming year. The next Hernando 10-13 Club meeting is scheduled for January 11th. Hope to see you then.

Arthur Babcock, President
