PRESIDENT'S MESSAGE

March 2023

Here we are in March and not any closer to resolving the Medicare Advantage Plan fiasco imposed on city retirees by the current and past New York City administrations. Threats have been made by the city to unilaterally impose a Medicare Advantage Plan to the detriment of retirees. At this point we can only wait for the city to move on its plan and provide our response. To that end, I believe we should be providing financial assistance to the organization who has previously provided retirees protection with legal responses to the city's illegal actions. Any donation made to the NYC Organization of Public Service Retirees could very well turn out to be substantially less costly than the additional fees imposed by the insurance carrier handling the Medicare Advantage Plan.

We are now starting the third month of the year and there are still several members who have overlooked paying their club dues. At your earliest convenience please send your 2023 dues or pay them at the upcoming meeting. It will help to offset some of the costs associated with holding our monthly meetings and other related activities.

In previous years several members gathered on St. Patrick's Day to impart our experiences and understand how the job has changed over the years. Of course, some adult beverages were consumed. As a result of Covid we have not been able to have this meeting for the past two years. During the upcoming meeting we can discuss arrangements to resume this previous tradition.

Please make every attempt to attend the March 8th meeting and enjoy some cheer with your brothers and sisters in blue.

Arthur Babcock, President

An off-duty New York police officer who was shot while trying to buy an SUV has died

During the February meeting, Joe Wolff provided a presentation regarding a substantial increase in Vaccine Adverse Event Reporting System (VAERS) reports from Florida after the COVID-19 vaccine rollout. Below is an e-mail received from Joe Wolff providing additional information on the VAERS reports. Thanks to Joe for providing such diligence in providing this information.

From, Joe Wolff:

“At a recent meeting, I referenced a chart that indicated a 1,700% increase in Florida alone as it relates to Vaccine Injury's reported for the years 2021. I have had several inquiries inquiring where I found that data. Additionally, I have noticed that some of the fake news media has been reporting this Government data to be "misleading". I must say I am happy to see so many people paying attention to this important topic. But back to the issue at hand, in fairness and to some extent it is misleading, at least when it is presented in a vacuum, since none of the other vaccine data recorded was for vaccines less widely distributed... however, keep in mind this is the results for a single vaccine...and the Florida report clearly indicates the vaccine uptake increase for the year in question is 400%. So even when accounting for this disparity, the percentage increase remains astronomical. Be assured, the Florida Surgeon General has done his homework, and under the Leadership and direction of Governor DeSantis, they will only release accurate and concise information supported by data and empirical evidence. That said, if you would like to do your own "fact checking" please feel free to click the link below for your own edification.

I also recommend you use Duck Duck Go <https://duckduckgo.com> As a search engine since google tends to slow any websites or data that is vaccine related.

Joe Wolff

The Last Roll Call

*There's a muster room out beyond,
Above the clouds of gray
Where New York City's Finest go,
To await their judgement day.*

*The Arch-Angel Michael calls,
"Fall In."
And dresses out the squad.
He salutes the desk, directs,
"Parade rest,"
As the rolls is called by God.*

*Smith and Valone you gave your lives,
On that sidewalk at Avenue K.
Moran and Kirsky you were slain,
In that club on West Broadway.*

*He continued reading all the names,
Of these men who gave their all,
And how proud they stood,
Our fallen brothers,
At this their last roll call.*

*As the roll call's end He said to Michael,
"Go and be their host.
Lead these brave men into My Kingdom,
And let them take their post!"*
