PRESIDENT'S MESSAGE

September 2023

As the summer comes to an end we look forward to some cooler weather. Notwithstanding the cooler weather New York City is keeping the heat on by moving forward with its plans to require retirees to move into their proposed Medicare Advantage Plan. Although there has been a court ruling preventing the city from implementing the Medicare Advantage Plan at this time, the City has continued to move forward with an appeal of the Judge's decision. This process could take some time to resolve.

There are several events scheduled for the next couple of months and hopefully these activities will bring the members a bit closer. Information regarding these events can be found on the "Important Reminders" pages of the Newsletter.

When we return in September the Hernando 10-13 Club and Retired NYFD in conjunction with the VFW will be holding a 9/11 Memorial Service at the VFW. This year September 11th is on a Monday and I hope you and your family can attend this service. For additional information see "Important Reminders" in this newsletter.

Please be aware that we are moving our September meeting to September 6th. Please mark this date on your calendar to ensure you do not overlook this meeting as we will be discussing final arrangement for the 9/11 Memorial Service to be held at the VFW.

Arthur Babcock,
President
