PARENTS OF APPLICANT:

Please provide PCCS with your parental perspective of your child. Describe your child's temperament, strengths and abilities, special areas of interest or concern, and his relationship to God. We appreciate your effort in trying to help us to know your child better. *(Feel free to continue on another piece of paper, if necessary)*

On a separate piece of paper, we would like each parent/guardian to please give a short explanation of your relationship with God.

PARENTS' AGREEMENT

- I have read the school's Statement of Faith and am willing to have my child trained in accordance with these principles. I will do my best to reinforce and model these principles in my home.
- I understand that PCCS relies on parent cooperation and involvement, so my family will donate at least 2 hours per month to the school. I intend to fulfill this by the means described on the School Support Form.
- I will work together with the staff to achieve maximum growth in both spiritual character and intellectual growth in my child, understanding that "maximum growth" necessarily contemplates a higher standard of conduct, attitude, and learning.
- I will provide a quiet time and place for my child to do homework each day.
- The faculty and administration will have my full cooperation in the discipline of my child; however, I understand and agree that the school will not administer corporal punishment.
- I agree to waive, release, indemnify, and/or hold harmless Pipe Creek Christian School, the PCCS School Board, and staff *any claim* that may arise out of injury to my child (or any member of my family). I intend for this agreement to apply to all situations and circumstances, whether at school or during some off-premises school-related activities, and whether caused by me or by the negligent or intentional conduct of my child, the school, another student, or any other person.
- I agree that any dispute or claim that I have against the PCCS School Board or staff (other than as addressed above) will resolved by biblically based mediation. In other words, I will not file suit or commence any legal action against the school without first making a good faith attempt to settle the dispute/claim with a trained mediator. *Further details are provided in the Grievance Covenant.*
- I understand that I am responsible for monthly tuition payments, due on or before August 1st and to be completed by May 10th.
- I have received, read, and agree to abide by the policies and procedures described in *The Parent Student Handbook*. Some of the information may change from time-to-time, since PCCS's policies are under constant review and are revised when appropriate. I understand I will be notified of such changes.
