

# Futuristic Electronic Communications LLC

# CAPABILITY STATEMENT

UEI: WQSHHVTABF97 | CAGE Code: 9YV63  
Website: [www.futuristicllc.shop](http://www.futuristicllc.shop)  
Email: [futuristicllc20@gmail.com](mailto:futuristicllc20@gmail.com)  
Phone: 337-627-0797 | 337-332-1593

## CORE COMPETENCIES

- Cloud Disaster Recovery & Business Continuity (COOP) Planning
- Computer Systems Design, Hybrid Cloud & IT Infrastructure
- IT Wiring, Structured Cabling & Workstation Connectivity
- Surveillance Systems, Security Camera & Physical Security Installation
- Project Planning, Scheduling, Coordination & Process Improvement
- AWS, Microsoft Azure & Google Cloud Integration & Support
- Cybersecurity Fundamentals, Data Backup & System Reconstitution
- HVAC Installation, Preventive Maintenance & Repair Services
- Generative AI Support, Cloud Automation & AWS CloudFormation
- Remote Customer Service, Help Desk & End-User Technical Support

## PAST PERFORMANCE

- Cloud disaster recovery and data backup restoration for small business environments using AWS and hybrid cloud platforms
- IT wiring, structured cabling, network connectivity, and computer systems configuration and support
- Surveillance camera and physical security infrastructure installation across commercial environments
- HVAC system installation, preventive maintenance, and service support for residential and commercial clients
- Remote customer service operations and CSR support management for Fortune 500 enterprise digital platforms
- Project planning, coordination, and execution for IT, cloud, and facilities service engagements

## DIFFERENTIATORS | WHY FUTURISTIC EC

- AWS Certified Cloud Practitioner + Generative AI Certified — Cutting-edge cloud credentials
- Hudson Initiative Certified (LA Economic Development) — State procurement preference eligible
- SEBD Certified Small & Emerging Business (valid through 2036) — Louisiana state certification
- Multi-discipline capability: IT, cloud, HVAC, security, and CSR — single subcontractor for complex scopes
- EPA 608 Universal Certified — Qualified for all refrigerant-related HVAC federal & state contracts
- SAM & SBA DSBS Registered — Federal contract-ready with active UEI and CAGE Code
- Rapid-response COOP and disaster recovery support for mission-critical government systems
- Scalable, cost-effective subcontractor support for prime contractors across Louisiana and Gulf Coast

## CERTIFICATIONS & CREDENTIALS

- AWS Certified Cloud Practitioner
- EPA 608 Universal (Type I, II, III)
- B.S. Information Technology — Univ. of Phoenix
- Hudson Initiative Certified (No. 30587)
- AAS Industrial Electronic Technology — SLCC
- AWS Generative AI for Executives
- AWS CloudFormation & Stack Mgmt
- AWS Introduction to Generative AI
- SEBD Certified — Louisiana (No. 30587)
- HVAC Technical Diploma — Blue Cliff College
