I am beyond grateful for Lourdes Schimenti and all the help she has given our family. She assisted me throughout my entire immigration process, and thanks to her guidance, patience, and dedication, my permanent residency was finally approved. She was with us every step of the way and never left us feeling confused or alone during the process.

What makes Lourdes truly special is how much she genuinely cares. She even officiated our wedding ceremony in 2022, which made our journey even more meaningful and personal. On top of that, she also helped my husband with his citizenship process, and everything went smoothly and stress-free.

Lourdes is extremely knowledgeable, professional, kind, and always willing to help. I personally and highly recommend her to anyone who needs immigration assistance or legal guidance. We are forever thankful for her support and hard work.

We have used All Immigration services for for a residency application. From the first meeting with Ms. Schimenti we felt very confident that we are dealing with a highly professional person, very knowledgeable about immigration laws and procedures. She guided us through the many little details and the various documents that we needed to obtain. Finally she prepared the application with all the required attachments and mailed the application to the immigration office. Within eight month we got invitation for an interview and awarded a green card. I have no hesitation to recommend Ms. Schimenti when you need any immigration services.
