These spots are for self sufficient food trucks/tents. There will be no power supply available so each food vendor must have their own generator and it needs to be a quiet generator. We have potable water, but it is not near your site, so you must have your own water. There is a dump site on the rv park grounds if needed. Please bring your own trash containers as we wont have trash bags on site. We will have trash cans on site for customers, but please come prepared to bag your own trash.

This is for Friday 3PM-9 PM and Saturday 8 am to 9 pm- Set up is Friday before 3pm and Saturday be ready by 8 am.

All payments for vendor spaces must be received by October 15th 2020.

***There is no refund on vendor spaces. Must be show ready by 3 pm Friday, you must be set up for Friday and Saturday, if you are unable to stay Friday night you still must set up Friday and leave your booth overnight as you wont be able to move in Saturday morning – if this creates conflict, please contact Rachel via email at rakrupa.rk@gmail.com**

I have read and agree to abide by the vendor/exhibitor rules and regulations appearing on this application.
