

about us...

We are a 379 space RV community nestled along the Payette River in Cascade, Idaho. Each lot owner may house a park model, 5th-wheel or trailer manufactured within the past 10 years. Designed for fun and relaxation, Leisure Time is a place to gather with family and friends. Our clubhouse has washers and dryers along with a library filled with books, videos, puzzles and games. If you become a lot owner, come relax and swim in our pool. The Activities Committee provides fun activities throughout the summer and organizes potlucks or themed meals.

PAYETTE RIVER

The slow moving Payette River runs along the back side of the park. Water lazily flows through the ponds of Leisuretime, emptying into the river. Kayaking, tubing and swimming in the river are fun ways for lot owners and their guests to create memories.

Wildlife

Wildlife is abundant in the park year round. Fox, deer and raccoon make their presence known, especially during the winter months. They have become a part of everyday life in our park.

Lake Cascade

Lake Cascade is located about 1 mile from the park with boating and other watercraft welcome. Fishing is a premium with trout, bass and perch ready for the catching.

Kelly's Whitewater Park is just down the Strand from Leisuretime. Bicycling and walking to the park are a great way to access the activities. An annual festival is planned each year the last weekend of June as well as several Kayak competitions throughout the summer.

The Clubhouse

Indoor pool, library, laundry facilities, restrooms, shower rooms, and kitchen.
