

COMMUNITY CHRISTMAS 2024 UPDATE

The Annual Union Mills Community Christmas program runs mostly the same year to year. Our idea is simple but different from other programs we have seen. We create a free store by arranging all of our toys and gifts on tables, with gifts suitable for the youngest kids around to the oldest. Then we add in some necessary clothing items and stocking stuffers. In addition, not to be confused with a gift we have collected used coats, boots, and snow gear to give to families in need.

Families who need help with Christmas are then able to schedule a private appointment to shop for their children. When they come out to shop, they are met by a couple of members of the board, and their experience is kept completely anonymous. In addition to providing gifts, we provide wrapping supplies and help those who want a hand with wrapping their gifts.

Thanks to the support of our community in 2024, we were able to serve 259 children. We've had wonderful people donate toys & gifts, wrapping supplies, coats & clothes, as well as giving monetarily to support this mission faithfully for the past 3 years.

As we close our 2024 Christmas season, we have our eyes on the future, and we have plans for some BIG things to come. Please consider joining our mission to help those in our community that we can, because we can.
