

## COVID-19 PROTOCOLS - 2020-2021 SEASON

The Crossfield Skating Club is taking the necessary steps to ensure all skaters, coaches, parents, and board members feel safe while participating in skating activities.

The Board is following guidelines as recommend by Alberta Health Services, Skate Canada, and the Town of Crossfield (Pete Knight Arena).

A few highlights for the upcoming season:

- We will not be offering Pre-Canskate lessons at this time as per Skate Canada.
- There will be no concession, water fountain or vending machines available at this time.
- There will be no access to change rooms. We ask skaters to come dressed ready for skating. Skates can be put on with use of the benches provided in ice surface area near the stands. The benches will be marked to ensure proper social distancing is met. No one is permitted to change in the washrooms.
- As per the Town of Crossfield (Pete Knight Arena) only one parent per child can enter the arena to tie the skater's skates. All skaters should have hard guards for skates.
- The club has a designate responsible person to oversee activities to ensure public health guidelines are followed.
- At this time there is no patrons permitted to sit in the bleachers and are not recommended to linger in the lobby as per the Town of Crossfield.
- The first day of skating a *Skating Screening Checklist form* will be required to be completed prior to accessing the ice. Each session the skater must check in with a board member that will verbally ask the *Fit of Skating* questions and take the skaters temperature. If you answer "yes" to any of the questions or if you are exhibiting a fever based on the temperature reading, the skater will not be permitted to attend the session. All information collected is confidential and is intended to identify new symptoms or worsening or symptoms related to allergies, chronic or pre-existing conditions. The *Skating Screening Checklist* is attached for information.
- Coaches and Program Assistants (PA's) will be wearing non-medical masks and gloves while coaching. The masks and gloves will be changed between sessions.
- Nametags will be in the form of a permanent sticker that can be attached to the skater's helmet or clothing. The tag will be brought home each night with the skater. We ask that the tag be brought back for each session.

The protocols may change as information is received from Alberta Health Services, Skate Canada, and the Town of Crossfield (Pete Knight Arena). **Any changes to the operations of the club or rules of the arena will be communicated to skaters via email and posted on the club's website and Facebook page.**
