# The City & Surrounding Community

The City of Yuma, CO (pop. 3,500), is an inviting, safe and growing community located in northeastern Colorado, at the intersection of US Highway 34 and State Highway 59, and 142 miles east of Denver. Incorporated in 1887 and named after Native American Yuma, the City occupies one square mile in western Yuma County (pop. 10,050) and is situated just 40 miles from both the Kansas and Nebraska borders. Yuma has long been home to hardworking farmers and ranchers and other agri-business professionals. It is surrounded by cattle ranches, and dryland and irrigated farming operations. Residents are also employed in other sectors, such as government, health care, education and manufacturing, all of which drive the local economy.

Yuma enjoys over 300 days of sunshine annually, and has a semi-arid climate with hot summers and fairly mild winters. In this beautiful climate, it's comfortable to enjoy outdoor activities year-round. Each fall and winter the Yuma area is especially popular with hunters who enjoy pheasant hunting.

Residents take pride in their community. Yuma's downtown area is home to shops, cafes, hotels and other small businesses. Yuma School District-1, home of the "Outlaws", serves nearly 900 students at its four public schools (Pre-K - 12<sup>th</sup> grade) and is a hub for the community through its sports and activities.

Other key community resources and amenities include an Enrichment Center, the Yuma District Hospital & Clinic, the Yuma Municipal Airport, a home-town newspaper-the *Yuma Pioneer*, 13 churches/places of worship, and three municipal public parks. Locals and visitors also enjoy the Indian Hills Golf Club, a nine-hole public golf course and restaurant which is managed by the High Plains Recreation Association.

Yuma is a home-rule municipality that operates under a council-manager form of government. The City Council serves as the legislative and governing body for the City. The City Manager reports to the City Council and leads a team of 44 municipal employees.

# Opportunities & Challenges

## Key Challenges & Expectations facing the City Manager

1. **Economic Development & Business Growth** – Attract new businesses, while supporting existing ones.
2. **Budget Constraints & Funding Strategies** – Many projects need grants or supplemental funding sources.
3. **Street & Infrastructure Upgrades** – Address street repairs and secure funding to cover the backlog in needed updates.
4. **Community Engagement & Public Trust** – Build strong relationships with residents and stakeholders.
5. **Emergency Services & Fire Department Support** – Ensure that the Yuma Volunteer Fire Department has the resources it needs. Facilitate ongoing discussions of implementing an EMS District.
6. **Housing & Workforce Development** – Address the demand for workforce housing and skilled labor.
7. **Long-Term Sustainability & Strategic Planning** – Ensure that Yuma remains a livable, vibrant community for future generations.

## Current Projects & Initiatives

The new City Manager will have an opportunity to lead the following efforts.

1. **Affordable Housing Development** – A 70-acre project aimed at providing attainable housing for the community. Securing funding and planning infrastructure will be a top priority.
2. **New City Swimming Pool Development** – The city is exploring options for a new swimming pool and is currently working with an architect for planning and design.
3. **Street Repairs & Infrastructure Upgrades** – Yuma is in critical need of street repairs and updates, with a projected cost of \$42 million. The city has applied for a \$25 million RAISE Grant to help address these needs. Securing additional funding and developing a long-term street improvement plan will be a priority.
4. **Yuma Municipal Airport Expansion** – The airport needs a longer runway and an on-site mechanic to attract more aircraft and increase airport usage. Securing funding and planning improvements will be essential for economic development.
5. **Ambulance Service Funding & Sustainability** – A recent meeting with county and city leaders highlighted concerns about funding and sustaining emergency medical services.
6. **Placemaking & Economic Development** – The City has been investing in community park spaces, but more needs to be done to attract businesses and residents.
