

BEVERAGE, LIQUOR, BEER, & WINE

Gino's Event Center offers several beverage packages to suit your event needs.

DELUXE- To ensure we have everything your guests will enjoy, please select (6) options from each of the five liquor categories included in your chosen package level. You may also choose from the "HOUSE", "PREMIUM", and "TOP SHELF" selection levels as well.

We're also happy to accommodate special requests for signature cocktails and custom drinks. We can create a tailored bar and beverage service to perfectly match your unique vision for the event.

At Gino's Event Center, we require a "one shot" policy as part of our guidelines to ensure that all guests have a pleasant experience while adhering to responsible drinking practices. A "one shot" policy at an open bar service during a wedding typically means that guests are limited to receiving only one shot of alcohol per drink order. This policy is often implemented to ensure responsible drinking and to prevent guests from consuming excessive amounts of alcohol in a short period of time. It helps maintain a safe and enjoyable environment for everyone attending the event.

We look forward to assisting you with your event planning.
