

# Kuleana Preparatory Academy

## Mission Statement

Kuleana Preparatory Academy's mission is to provide a rigorous, inclusive, and student-centered educational program that empowers learners to achieve academic excellence, personal responsibility (kuleana), and lifelong success. Through flexible learning models, qualified educators, and strong family partnerships, the Academy supports the intellectual, social, and emotional development of every student while preparing them for college, career, and responsible citizenship.

## Vision Statement

Kuleana Preparatory Academy envisions a learning community where all students are known, supported, and challenged to reach their full potential. The Academy strives to be a leader in innovative education by combining high academic standards, individualized learning pathways, and ethical responsibility, ensuring graduates are confident, capable, and prepared to thrive in a changing global society.

## Core Values

**Responsibility (Kuleana):** Learning is a shared responsibility. Students are encouraged to take ownership of their learning, set goals, and demonstrate accountability for academic progress and personal growth.

**Academic Excellence:** Instruction is aligned to rigorous academic standards and continuously evaluated using data-informed practices to support student achievement.

**Equity and Inclusion:** The Academy ensures equitable access to instruction, accommodations, and support services for all students, honoring diverse backgrounds and learning needs.

**Individualized Learning:** Flexible instructional models and personalized pathways honor each student's strengths, interests, and pace of learning.

**Integrity and Accountability:** Ethical leadership, transparency, and continuous improvement guide all academic and operational practices.

**Collaboration and Community Partnership:** Strong partnerships among educators, families, and the community enhance student success.

**Whole-Child Development:** The Academy supports academic, social-emotional, and behavioral development to prepare students for responsible citizenship and lifelong learning.
