The Power of Forgiveness Healing Proclamation

Ask the Holy Spirit to search your heart—is there anyone that you need to forgive?

With faith, say this prayer:

God, my Father, it is my desire and will to forgive anyone who has offended, hurt, or injured me, knowingly or unknowingly, right or wrong. It is not my desire or will that they be punished by You or anyone else for what they have done. I choose to forgive _____ and I release them to you, right now. In Jesus name.

The Power of Repentance

Ask the Holy Spirit to search your heart— are there any sins of which you need to repent? Is there anything you have done to contribute to the illness you are facing?

Recognize! We must invite the Holy Spirit to allow us to recognize the sins we have committed.

Responsibility! We do not blame others or circumstances for the sin we have committed. We have a free will. We chose to sin. It is our fault and no one else.

Repent! We come into agreement with the Word of God and we ask forgiveness. "Father, I have sinned and I ask for your mercy and forgiveness. In Jesus name". Now we accept and believe that forgiveness is ours.

Renounce! As an act of our will we break off any ties and agreements that we have established with the enemy. We say, "I am free and I no longer want this in my life. In Jesus name."

Rebuke! We command the enemy to leave our lives. "In Jesus name you no longer have a hold on my life and I command you to go to Christ Crucified never to return to me or my family again."

Receive! By faith, we now receive all the grace that the Holy Spirit offers. "Holy Spirit, thank you for all you are offering me to walk in the freedom that the Son has given me." What grace does the Holy Spirit want to give you in place of the sin and bondage?

Rejoice! Give thanks for all that God has done for you in Christ and all that He is going to do.

In the name of Jesus, We, the Church of God, the Body of Christ, take authority over all infirmities and sickness, be they of natural or supernatural cause, and we call every illness, disease, and sickness null and void. In the name of Jesus we sever all generational curses and sins, and we place the Cross of Christ in the way of any ungodly soul ties between current and past generations.

We take responsibility and repent of anything we have done to lead to our physical, emotional, or spiritual decay.

We claim the Blood of Jesus Christ of Nazareth who has come in the flesh to cover and imbue every fiber of our being, spirit, soul, or body.

We proclaim that by the stripes of Jesus we are healed (Isaiah 53:5).

No weapon of infirmity, wounding, or sickness formed against us shall prosper (Isaiah 54:17).

In the name of Jesus we speak to all systems of our body and command them with their accompanying organs to come alive and function correctly as God, our Creator Father, designed them to function.

We bless our nervous, circulatory, digestive, and endocrine systems with health.

We bless our immune, lymphatic, muscular, and reproductive systems with health.

We bless our respiratory, skeletal, and urinary systems with health.

We speak blessings on our intellects with truth, our wills with freedom and strength, and our emotions with peace and joy.

We choose to walk in communion with the Lord and receive revelation regarding all things from the light of the Holy Spirit.
