OLD BUSINESS:

1. As discussed previously, we have contacted Panhandle Management to handle our Finances and possibly our Web Site. Costs were discussed and general consensus is to discuss this with them with possibly taking over in late summer. Cost for just the finance portion would be approximately $6,000 a year or $500 per month. If we would manage our own web site the possible cost would be approximately $250 to build a site and $25 a month maintenance fee for $300 a year.

2. Sterling shared where he and the new property owner discussed the three main bus stops in our area: Timberline and Skyline, Lovegrass and Skyline and Skyline and Shoal River Drive. Each stop will have a concrete pad. He further discussed that we might consider an overhead cover at these bus stops.

3. Sterling showed a slide of an area between the homes on Timberline and Skyline which is a possible area for a playground area. The new property owner is willing to donate $50,000 to develop this area.

NEW BUSINESS: N/A
