Therefore, return to your God, observe kindness and justice, and wait for your God continually.

Hosea 12:6

Hallelujah! The time is here! The time is now!

The time we have all been longing for is finally here. The time when we can physically gather with each other, having been brought through this pandemic by our faithful God, in fellowship to worship with the restrictions that have had us bound lifted. While this is a joyous time, we cannot allow ourselves to relax in our efforts to continue to love our neighbors. It is a time for all of us to return to God in worship while continuing to observe kindness and respect for those who gather with us. Each of us are still at different places when it comes to the issues pertaining to the virus. Some have received the vaccine, while others have yet to do so for their own reasons. Some rejoice at being able to remove their masks, while others find comfort in crowds by continuing to wear their mask. Therefore, we must continue to meet everyone where they are and to exhibit Christian love to all.

On May 28<sup>th</sup>, the Governor lifted most of the restrictions placed on the Commonwealth over the past 14 months and has suggested that everyone follow the guidelines given by the CDC. Also, the Bishop of the Virginia Conference of the United Methodist Church has followed suit, providing guidelines for each church to consider while allowing each church to decide how best to move forward in this post-pandemic time. With this in mind, the Administrative Council has begun to make decisions concerning what Hopewell's return to "normal" will look. I am happy to report the following changes that take affect Sunday May 30, 2021:

- Distancing requirements have been removed but suggested when possible.
- The need to call the church to "register" for Sunday service has been discontinued.
- Those that are fully vaccinated are no longer *required* to wear a mask.
- Per CDC recommendations, those who are not fully vaccinated are asked to continue to wear a face covering during worship and other group activities.
- Proof of vaccination will NOT be required of anyone.
- Restrictions on singing have been lifted. Let us sing praises to the Lord!
- Decisions on how to return to fellowship activities indoors that include food is ongoing. Outside events can include pre-packaged food at this time.
- All groups, including Sunday School and non-worship groups such as AA, will have the autonomy to regulate their gathering within the CDC guidelines.

This is both an exciting and anxious time for many and we need to respect everyone's comfort level during this time of transitioning in our worship and gathering. We have accomplished great things over the past 14 months and are leaps and bounds ahead of the curve as other churches plan their return to in-person gathering. We have been blessed for our faithful worship and are seeing the return of many more of our faithful members who have been with us virtually. Therefore, let us continue to place our focus where it should be... on worshipping God! He will take care of the rest!

God Bless you,  
Pastor Bob

### OUTLOOK by Priscilla Leonard

Forget each kindness that you do as soon as you have done it.  
 Forget the praise that falls on you the moment you have won it.  
 Forget the slander that you hear before you can repeat it.  
 Forget each slight, each spite, each sheer where you may meet it.  
  
 Remember ever kindness done to you, whate'er it's measure.  
 Remember praise by others won and pass it on with pleasure.  
 Remember every promise made and keep it to the letter.  
 Remember those who lend you aid and be a grateful debtor.  
  
 Remember all the happiness that comes your way in living.  
 Forget each worry and distress; be hopeful and forgiving.  
 Remember good, remember truth,  
 remember Heaven is above you, and  
 you will find through age and youth,  
 true joys and hearts  
 to love you.

## MEET A MEMBER ... Shep Smith

Sheppard Wayne Smith was born Grace Hospital in Richmond in June of 1940. He was one of three children, an older sister and a younger brother who has passed. Shep grew up in Richmond, graduating from Thomas Jefferson High School. He continued his education at RPI, which is now VCU, and then went to the University of Richmond where he obtained his Masters Degree in History.

Shep taught school at Thomas Dale High School in Chesterfield. He now teaches for Chesterfield Life Long Learning for Seniors. Once a teacher, it's always in your blood. When Shep retired he worked as tour guide at Berkeley Plantations for over five years.

For hobbies, Shep enjoyed target practice, canoeing and hiking. Today his favorite hobby is sitting in the lounge chair... his words.

Shep has also served as the organist at Hopewell UMC for over 30 years. This was his gift to Hopewell as he was not a paid employee. That gift has been so appreciated for the joy it brings to our church.

He and Margie have been married for 48 years. His favorite food is old fashion strawberry short cake. His favorite hymn is "Victory In Jesus", and his favorite bible verse, all of them!
