## United Castle Trucking LLC – Current Projects and Strategic Growth

United Castle Trucking LLC is actively expanding its logistics footprint across the Mid-South and nationwide through a series of high-impact transportation and 3PL initiatives. Our current projects include developing a regional expedited freight network serving Tennessee, Arkansas, Mississippi, Alabama, and Texas, designed to provide same-day and next-day delivery solutions for critical shipments in the automotive, manufacturing, and food distribution sectors.

We have launched a state-of-the-art 3PL warehouse hub integrating warehousing, cross-docking, dispatch, and brokerage operations under one umbrella. This facility will streamline inbound and outbound freight, offering shippers real-time visibility, dedicated space, and value-added services such as consolidation, fulfillment, and last-mile coordination.

On the brokerage side, United Castle's nationwide freight brokerage division is onboarding vetted carriers to strengthen our service capacity and offer flexible lane coverage to shippers across the continental U.S. Each project reflects our commitment to reliability, scalability, and strategic partnerships — positioning United Castle Trucking LLC as a trusted transportation partner for businesses seeking end-to-end logistics solutions.

# Our Vision

01

**Vision 1**

“Redefining Reliability in Freight”  
To be the most trusted name in logistics by delivering consistent, on-time, and transparent freight solutions that keep America’s supply chain moving. United Castle Trucking LLC envisions a future where reliability, communication, and integrity drive every shipment — building lasting partnerships with shippers, brokers, and carriers nationwide.

02

**Vision 2**

“Building the Future of Integrated Logistics”  
To transform regional trucking into a fully integrated 3PL powerhouse, combining transportation, warehousing, and brokerage under one seamless network. United Castle Trucking LLC aims to lead the Mid-South logistics corridor through innovation, technology, and customer-driven service — creating smarter, faster, and more efficient supply chain systems.

03

**Vision 3**

“Empowering Growth Through Movement”  
To empower businesses and communities by connecting products, people, and progress through dependable logistics solutions. United Castle Trucking LLC envisions scaling its operations beyond boundaries to markets across the nation — fostering economic growth, opportunity, and sustainability in every mile we move.

# *Our Mission*

At United Castle Trucking LLC, our mission is to deliver dependable, efficient, and transparent logistics solutions that strengthen the backbone of American commerce. We are committed to connecting businesses, suppliers, and consumers through safe, timely, and technology-driven transportation and 3PL services that exceed expectations at every mile.

We exist to simplify logistics for our clients — offering a seamless blend of trucking, freight brokerage, and warehousing under one trusted network. Our goal is to provide scalable solutions for companies of all sizes, ensuring that every shipment moves with precision, accountability, and integrity.

We believe that success in logistics is built on relationships, reliability, and results. Through continuous innovation, advanced dispatch systems, and dedicated customer support, United Castle Trucking strives to become a long-term strategic partner — not just a carrier.

Rooted in our Memphis headquarters, we're proud to operate from one of the nation's leading logistics hubs, leveraging our position to support industries from automotive and manufacturing to retail, food distribution, and e-commerce.

Every route, every delivery, and every partnership we build is guided by our core values:

- Integrity – doing what's right, every time.
- Reliability – keeping promises and delivering consistency.
- Innovation – improving processes to stay ahead in a changing industry.
- Commitment – treating every client's freight like our own.

Together, these values drive our mission to create a transportation network that moves businesses forward, supports economic growth, and sets a new standard of excellence in the logistics industry.

## Roscoe Broady — Founder & Chief Executive Officer

With over two decades of leadership in management and operations, Roscoe Broady founded United Castle Trucking LLC to create a 3PL trucking company built on reliability, transparency, and growth opportunities. His vision combines entrepreneurial innovation with hands-on industry expertise, positioning United Castle Trucking LLC as a trusted transportation partner to shippers, manufacturers, and distributors nationwide. Mr. Broady oversees corporate strategy, partnerships, and organizational development across all divisions — trucking, brokerage, and warehousing.

## Rosalyn Hill – Freight Broker and Chief Financial Officer

Ms. Hill oversees all freight brokerage operations, ensuring that shippers and carriers are connected through trusted, performance-driven partnerships. This department focuses on lane development, rate negotiation, and carrier onboarding, supported by 24/7 dispatch communication and real-time tracking technology. She has over 30 years of management, operations, and strategic planning expertise that coincides with the mission and vision of United Castle Trucking LLC.

## Operations Director

The Operations Director manages the daily movement of freight and ensures on-time, compliant, and cost-effective delivery performance. This leader supervises dispatch, fleet scheduling, and driver coordination, implementing standard operating procedures (SOPs) and 3PL efficiency models that keep our logistics network running seamlessly.

## Warehouse & 3PL Coordinator

The Warehouse & 3PL Coordinator is responsible for managing inventory, cross-docking, and fulfillment services at our Memphis logistics hub. This role ensures all warehouse operations run smoothly — optimizing inbound and outbound flow, improving storage utilization, and maintaining top-tier safety and compliance standards.

## Administrative & Compliance Team

Our support and compliance team manages company documentation, FMCSA reporting, carrier packets, insurance compliance, and HR processes. This department ensures that United Castle Trucking LLC operates with full regulatory integrity and business transparency — protecting both our clients and carrier network.
