## Meet our ODED Team

Meet our new ODED Manager, Maya Rasmussen. Maya joined our team back in August 2019 as a guide. For the last 3 years she lead the ODED team as a lead guide and helped strengthen our program with her creativity and dedication to the outdoors. Maya was raised in San Benito, Texas. As a young child, she always loved nature and wildlife. This passion continued into college as she graduated from Texas A&M with her Zoology Degree. She is dedicated to showing her campers the magic of the outdoors and the importance of Land Stewardship. We are so excited to see her shine in her new role.

You might see some familiar faces from Summer and last year! We are excited to add two new members to the Camp RIO family. Our leads - Michael, Dianne, and Lalo are looking forward in helping lead this new team in a successful school year! Our guides - Gabriel, Jacob, Eddie, Daniel, Ana, Anelisa, Bianca, Michelle, Jesse, and Danny have been working diligently in preparing for this year! They are ecstatic in the opportunity to serve our community and share the love of the outdoors.
