

Design Board Workshop

Cost: \$5.00

Instructor: Barbara Smith, If you have questions please text 928 707-2002.

You will make a 15 x 20 inch design board.

Materials you will need to bring

1. 71" Of binding. This is standard 2 ½ inch binding that is prepared as follows:

Cut 71" of 2 ½ " straight grain or bias fabric

Fold and iron in half along the long edge

Open and fold each of the raw edges to the center and iron in place

Zig Zag or use a decorative stitch down the center. Sew with the raw edges down

(Yes, you will finally use those stitches on your machine)

2. Hot Glue Gun and glue sticks if you have one.

3. Silicone fingertip ironing protectors if you have them (I use Dritz thermal thimbles)
