Co-Op & Homeschool Family Information

At Cohutta Arrows Kingdom Academy, we understand that every family's Christ-centered desires and needs are different. Our hope is to reach as many children as possible, providing them opportunities to grow in God's Word. Co-Op and homeschool families desire the same, just in different capacities. We respect that and we want to honor your family's needs. Below you will find various options and tuition pricing for your child(ren) to still be a part of a Christ-centered learning environment, even if it's not as a full-time student.

One Academic Course + Worship:

- Tuition: \$30 per week, \$1,560 a year; curriculum would require a separate fee of approximately \$35 pending the subject. Your child's day would begin at 8:30am with worship, following their academic subject. They would be released at 10:00am

Two Academic Courses + Bible & Worship:

- Tuition: \$80 per week, \$4,160; curriculum would require a separate fee of approximately \$75 pending the subjects. Your child's day would begin at 8:30am with worship, followed by their two academic subjects, Bible and one recess. They would be released at 11:30am

Cohutta Arrows Family Membership:

- Annual membership fee of \$400 per student; they would be welcome to join the students for double recesses, lunch and the application lesson of the day, daily time 11:00-12:30, as well as all field trips and school related functions and activities.

We hope these options meet the need of your family. If you have any questions, or any requests regarding the co-op and homeschool family options, please to not hesitate to contact us. Our mission is to serve children and build God's kingdom by raising up a mighty generation of warriors. Therefore, meeting the needs of your child(ren) is one of our top priorities.
