Dear fellow Warrior of Christ,

When considering any new endeavor, it is always wise to count the cost before moving forward. In Luke chapter 14, Jesus speaks to the disciples about the cost of becoming a disciple. He implores them to seriously consider what it will cost them to be his disciple and what the long-term consequences are as well.

Every child is being disciplined every day. Who is doing the discipling? If we do not teach our children to follow Christ, the world will teach them not to. Matthew 5:13-16 tells us we are called to be "Salt and Light". Children cannot be salt unless we put the salt of Biblical truth in them and immerse them in His word to be the Light. How do we ensure the Biblical legacy that we have inherited continues? We must diligently disciple and equip them in the truth as Paul says in Ephesians 4:15, "we are to grow up in every way into him who is the head, Jesus Christ".

We need your help. There is too much at stake to continue only hoping for someone else to do something that God commissioned us to do. We believe that God has called us to action to train, equip, and spiritually mature the next generation. Your partnership will fund this call to action. The Bible tells us that children are a gift. We pray that we show ourselves as good stewards of this gift by our willingness to invest time, resources, and most importantly our love. Sponsorships will give us the opportunity to offer a kingdom education that the majority of families will be able to afford. Help us to show our students that it is not just God on Sunday morning but He is also the head of all that we do.

There is a cost to every circumstance or situation. The cost can be beneficial. The cost of not doing something can have its consequences. In a nation and culture that seems to venture further from the Truth daily, we feel now more than ever is the time to invest in this current generation; if we don't, the cost will be devastating. Our mission at CAKA is to give all families who desire a Christ-centered education the opportunity. We will have the benefits of giving children a kingdom education where every aspect of their day will embed the fabric of faith which will last a lifetime. The impact this school will have on the kingdom of God is priceless. Change is only one generation away. What legacy are you leaving in this world? We want to leave the legacy of Jesus. Our hope is that every child who graduates from Cohutta Arrows Kingdom Academy will be successful in whatever college or career path they choose, but most importantly we desire for them to be fully equipped to defend the gospel and leave a Biblical legacy on this generation and the ones to follow.

If you feel led by God to join this mission, we ask you to sponsor Cohutta Arrows Kingdom Academy Ministries in whatever means that you are able.

Peace and Blessings,

Neely Byers
