Old Business-Review Ordinances: See below

New Business: BC presented a revised garbage and recycling ordinance with changes made in red. The revised ordinance was reviewed by the new members and some suggestions were made as to if we should include campers and garages. A system of placing a sticker on the cans every year that are issued when paid for to ensure that the garbage contractor only picks up containers with stickers thus eliminating dumping of extra containers that are not paid for was discussed. It was decided to wait for input from the Town Board as to what they would like to see in the revised ordinance.

Website input and updates: None

Discussion on updating the Comp plan mapping: It was decided to wait on updating the mapping until we have more members present.

Next Plan Commission Meeting: The next commission meeting is tentatively scheduled on March 9th, 2026 at 2:30 pm.

Adjournment: Motion to adjourn made by MT, seconded by JS, and passed on a voice vote. Meeting adjourned at 3:27 pm. Recorded by BC
