

Resolution 2009-02

Debbie Hansen Application for Land Use Permit

Town of Oakland
Douglas County
STATE OF WISCONSIN

1. Debbie Hansen has applied for a Land Use Permit for the operation of a nonmetallic mine-sandpit.
2. Town residents have expressed concerns regarding noise and dust.
3. The Town of Oakland makes the following recommendations to Douglas County Planning, Zoning & Land:
 - a. On Monday through Fridays, commercial hauling is limited to 7:00 am to 7:00 pm.
On Saturdays, commercial hauling is limited to 9:00 am through 3:00 pm.
No commercial hauling is permitted on Sundays and holidays.
 - b. Dust control measures along access roads to and from the pit to County Road B are to be accomplished by Debbie Hansen.
 - c. Debbie Hansen is required to repair damage caused to town roads above and beyond normal wear and tear. If the damage is not repaired in a timely manner, the Town will repair the damage and charge Mrs. Hansen the actual cost. The Town will video tape the Wilkinson and Old Lyman Lake roads to document their condition after the replacement of the culvert at the intersection of Wilkinson and Lyman Lake Roads. The Town may also hire an engineer to inspect the roads and document their current condition.

Adopted this 9 day of June 2009.
