

**4. Certification of the Reclamation Plan:**

I hereby certify that, as a duly sworn in official representing the Town of Oakland, that the Town of Oakland will comply with the provisions of the reclamation plan as well as the statewide non-metallic mining reclamation standards established in ss. NR 135.05 through NR 135.15 Wis. Admin. Code and that "best management practices" will be installed and maintained.

Town Chairman

(Title of duly authorized representative)

**5. Financial Assurance:**

Financial assurance is not required of local units of government. We are solvent and continue to provide all required municipal government and services as required by law.

**6. Submitting the plan:**

James A Rausch, PE, originally prepared this plan for submittal. Brian A. Conley, Town of Oakland Planning Commissioner revised this plan for resubmittal.

**7. Certification and Acceptance:**

I/we, as duly sworn officials of the Town of Oakland and responsible for the property herein described, do hereby certify that I/we have reviewed this reclamation plan for the 80-acre Tri-Lakes pit, concur with its provisions and agree to permit it's implementations.
