FOUNDER & INTERNATIONAL DIRECTOR - RAHUL GUPTA

Here's what has happened in the mission 2025 and what's to come!

Welcome to **Gospel Station newsletter**! We are thrilled to share with you the latest developments in our **Trilateral Mission** to spread the Good News of Jesus Christ and make a positive impact in the communities with diverse backgrounds and cultures.

I give thanks to the Lord for using **Gospel Station** to advance His kingdom in yet another amazing year. What prayers can't accomplish! Prayer is the might engine that is moving this missionary work.

Prayer can do what political action cannot, what education cannot, what military might cannot, and what planning committees cannot. All these are impotent by comparison.

The Lord has provided resources, partnerships, support, and other things to boost our **Trilateral mission**. As the Lord correctly said in

Matthew 7:7 Ask, and it shall be given you; seek, and ye shall find; knock, and it shall be opened unto you. Throughout the year, **Gospel Station teams across continents in Africa, INDIA & England** continued to ask, seek, and knock on Heaven, and the Lord granted much.

My sincere appreciation to the **partners & associates** for their material and spiritual contributions towards Gospel Station. It has greatly encouraged us to collaborate in harmony & unity and to have greater power together in order to have a greater influence with His Gospel in the present generation. Additionally, it has reinforced our identity as Lord's people, who unite for a common purpose with a drive to win souls for His kingdom despite coming from different backgrounds, ethnicities, ethnic groups, nationalities, and church backgrounds.

OUR VISION

MARK 16:15 HE SAID TO THEM, "GO INTO ALL THE WORLD AND PREACH THE GOSPEL TO ALL CREATION.

More than **3 billion people** haven't had a chance to hear the gospel. They must be reached. Our Vision is to proclaim Jesus Christ to every person, in all nations, through all possible means, until He returns.

OUR MISSION

Our **Trilateral mission** is to spread the kingdom of God in three **major parts of the World (INDIA, AFRICA & ENGLAND)**. **Gospel Station mission** is essentially about the **'GO' of the Gospel**. We exist to come alongside Churches and Christian groups for extending His Kingdom and to help them to better know about **Biblical Evangelism** and to be able to effectively share it with others.

Mission INDIA News

Rural & Door-to-Door Evangelism

Gospel Station (INDIA) continued to reach villages in Punjab, Haryana and Himachal Pradesh of North INDIA through street witnessing and door-to-door evangelism. Our teams shared the message of God's love with families who rarely receive spiritual engagement. These visits opened meaningful conversations, distributed literature, and brought prayer support to many homes seeking hope and direction.

Empowering Slums

To strengthen underprivileged communities, **Gospel Station (INDIA)** continued to provide educational support in slum areas. Poor children received notebooks, pens, chalk boxes, and other essential learning materials and aids. This simple act not only encouraged their studies but also helped build trust, showing the compassion of Christ through practical action and consistent presence. The children in slums receive teachings about God.

Approximately **236 million people in INDIA** live in slums. Millions of households live in slums lacking basic amenities like drinking water, proper sanitation facilities, lack of drainage, lack of basic education - hygiene & health knowledge etc. There is a great need to work in this area.

...“LET US GO ON TO THE NEIGHBORING TOWNS SO I CAN PREACH THERE AS WELL, FOR THAT IS WHY I HAVE COME.” JESUS CHRIST – MARK 1:38

Gospel Station team in England is growing as we pray to the Lord like Jabez prayed in **1 Chronicles 4:10** – “Enlarge my territory”. The team growth also comes with the challenges of mobilisation and resources for the Gospel. Please pray for the Lord shall supply according to his riches in glory by Christ Jesus.

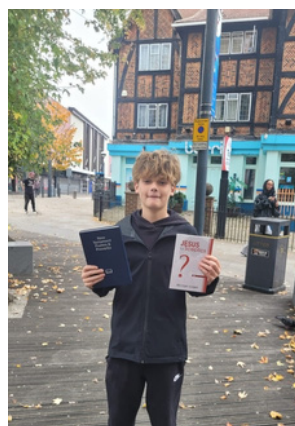

It was a blessing to connect with **Brother Lawrence** & 2 other ladies from **Operation Mobilisation (OM)**. It was a great encouragement to have them in our street evangelism in Watford & Wolverhampton.

The inauguration of **Gospel Station Oswestry** at the OM headquarters in Quinta, Shropshire, has been graciously facilitated by Br. Lawrence. Additionally, when he preached about missions, the team was inspired.
