FAMILY-STYLE

(Please read before ordering!)

Served on platters and in bowls on your table for sharing. Available to all parties and recommended especially for parties of five or more. We work in the original small kitchen space of the old house, so family-style is a faster way for us to get dinner out to larger parties. We do not offer free reorders, but our family-style is a lot to eat and most parties leave with to go boxes.

Our famous FRIED CHICKEN

is always the first meat with every order.

After that choose
