DETAILS

My son Leo has been kidnapped by his mother, SUZANNE AARONSON on November 6, 2020.

Leo was 6 ^{1/2} at the time of the abduction and was reported with his mother, Suzanne Aaronson of Greenwich, CT. Suzanne Aaronson, a U.S. citizen, unilaterally, without parental consent or Court approval unlawfully removed Leo from the United States and permanently relocated to Calvia, Palma de Mallorca, Spain.

Suzanne Aaronson filed a **FALSE BIRTH CERTIFICATE** to circumvent the Spanish Consular requirement of dual parental consent, de facto committing **VISA FRAUD**, among other crimes, and fled the U.S.

She's also wanted by the NYPD for **DOMESTIC VIOLENCE** but **FLED THE JURISDICTION TO AVOID PROSECUTION** under USC18 §1073.

She's now on the move between Palma de Mallorca, London, UK, Geneva Switzerland, Luxembourg, and Italy. In 2021, the FBI, New York City Field Office concluded their investigation and determined that the mother, Suzanne Aaronson committed the crime of **INTERNATIONAL PARENTAL KIDNAPPING** under USC18 §1204 among other crimes, at which point the case was referred to the U.S. Attorney's Office, Southern District of New York. In tandem, the U.S. Department of State exhausted all the avenues under the Civil Aspects of International Child Abduction under the Hague Convention as Spain refuses to order the return of the child.

So far, the prosecutor at the U.S. Attorney's Office, Southern District of New York has yet to draft an arrest warrant for the mother, two years after the FBI concluded their investigation and determined that crimes were committed. No explanations were given. The case is now on President Biden's desk.

Her parents are complicit in the kidnapping and acted as Co-conspirators. They also fled the U.S.
