Supervisor Kehl stated we received a contract at the end of July from the Village for office space, where the contract eliminated the town clerk's office. The town bought the building on Exchange St. the village office then raised the rent from \$1,150.00 a/month to \$1,500.00 a/month. Supervisor Kehl asked them for a discount and they didn't do it, so the town board took off \$300.00, and paid them \$1,200.00 per month. Numerous conversations were had with the Mayor, Deputy Mayor and others downstairs and the Mayor promised to be here tonight and he's not present.

The clerk was asked to pull the invoice for the \$1,800.00 to the Village until we have a signed contract.

The town will be using the board room here at 9 Water St. for town board meetings and court.
