Administrative Update

Mrs. Omensetter gave an update on the upcoming events at school. The events during the homecoming game will be held at halftime. The homecoming dance will be held at Steinbrenner field. There will be a football ring ceremony at the game Friday, all players will be introduced.

The winter sports schedules are available, with the exception of wrestling. For soccer games, the boys will play 1st at the beginning of the season at 6pm and the girls games will start at 8pm. For basketball games, the boys will play 1st and girls will play 2nd until after winter break.

Attendance is imperative on October 11th for the PSAT. In order for the test to be paid for, a certain number of students must take the test. Treasurer's report – see attached report. Kim Raffaele reported she is balancing the accounts for the month of September. All taxes were paid the 1st week of September. The Booster Club received a check for \$250 for a banner from Florida Hospital without a team name listed.

Membership Committee

All board members have joined the Booster Club for this year. To date, there are 151 paid memberships. Typically, most of the memberships are from the beginning of the year and at the beginning of the spring sports season. Ginger Bozied asked everyone to encourage parents of their sport to join the Booster Club. She sent a reminder email to all the coaches to encourage memberships. Currently, there is 80% participation for the football team. The Booster Club will reimburse teams \$4 per player/coach for banquet fees if there is above 75% team membership (must get the official team roster from the school).

Concessions Committee

Coralee Traficante and Wendy Sedlacek reported that the concession stand is slow, but is running smoothly. Thank you to all teams for cleaning and restocking the beverages after each game. We received a note from the inspection that everything was clean and organized. The ice cooler is broken, it is making ice but it's warm and melting quickly.

President's Report/General Business

Wall of Fame now has an alumni wall for past players who have gone pro for their sport. A dinner will be planned to unveil the plaques.

Friday's restaurant is offering 20% off the bill on certain days to Alonso students and families, see agenda for details.

School improvement The new signs around school are awesome. The ticket booth at the football field will be painted. Mindy asked for any suggestions for new improvements, ways to spend the Cash for Class \$ we received and to brain storm ways to improve attendance and concession sales at sporting events.
