Thank you to all the student athletes, coaches, administration, and parents who supported the Alonso Booster Club by purchasing a Booster Club Membership! Even with our Spring sport season being cut short, we finished the year with over 300 memberships. Membership funds collected help with equipment, auditing costs, insurance, and supporting our athletes, teams, and the school as a whole, so we're very appreciative to those who support. Super shout-out to the following athletic teams who joined the Booster Club with 100% roster membership (either through student athlete or parent memberships): Girls Flag Football, Girls Tennis, Boys Tennis, Girls Soccer, Girls Swim, Boys Swim, Girls Cross Country, Boys Cross Country, Cheer, Volleyball, Girls Golf, and Boys Golf. Way to go teams! We'll be working over the summer to finalize Booster Membership options and packages for next year, so stay tuned for details as we approach the next school year!
 - c. Concessions – Coralee Traficante, Wendy Sedlacek, Nathalie Kobel
