

## **SPECTATOR PROCEDURES FOR FALL 2020 CONTESTS**

2020 has caused many changes to what the world knows as normal. One specific change will be with the spectator experience. In an effort to help control interactions and limit the spread of COVID-19, HCPS will alter spectator procedures to allow for spectators as long as safety precautions are followed. HCPS values the hard work of the student-athletes and wants to provide an opportunity for the skill sets of all student-athletes to be put on display. However, due to the current concerns related to the pandemic, limitations must be in place to maintain a safe environment for student-athletes as well as spectators.
