Alonso High School Student Parking Registration: Information, Rules & Consequences

High school campuses give students the privilege to park on campus when space is available. Students must purchase a student parking decal each school year in order to park on campus. Seniors are given priority; then juniors.

To be eligible to purchase a hang tag (*Seniors & Juniors ONLY-First Come, First Serve*):

1. Complete this registration form and have it signed by both the student & parent
2. Provide a current copy of your car's registration
3. Provide a current copy of your automobile insurance coverage
4. Provide a copy of your driver's license (Student)
5. \$20, cash only, non-refundable

ALONSO HIGH SCHOOL WILL NOT MAKE COPIES. IT IS YOUR RESPONSIBILITY!

Parking Lot Rules and Regulations:

- The MAXIMUM speed limit on school grounds is 5mph and you must wear your seatbelt.
- You may park in any available, non-reserved space in the student parking lot. Your hang tag must be displayed at ALL TIMES. You may only park in ONE parking space. Visitor parking in the front of the school and the teacher/staff parking lots are OFF LIMITS. Any car parked on Alonso's campus, in the area that has not been designated for that vehicle, will be ticketed.
- You must enter the building once parked. No loitering in the parking lot without administration permission.
- **You cannot access your car without written administration permission during the school day. This includes between classes and during lunch. VIOLATORS WILL RECEIVE DISCIPLINARY ACTIONS.**
- The student parking gates will be locked daily. Any student arriving late to school must report to the Student Affairs Office and sign-in. Student drivers that are habitually TARDY TO SCHOOL (FIVE OR MORE TIMES) WILL LOSE their driving privileges.
- Any student found LEAVING or ATTEMPTING to LEAVE CAMPUS without permission will face disciplinary actions and/or loss of driving privileges.
- No loud music, tire skidding/sliding or careless driving.
- Student vehicles may be subject to search if there is probable cause to believe that drugs, alcohol, stolen property, weapons, or any other contraband might be present in the vehicle. If these are found in the vehicle, the student is subject to the same disciplinary actions as if they were found in the student's possession in the school building.
- Students must exercise extreme caution when entering and leaving the parking areas. The school is not responsible for damages or theft to automobiles, trucks, bicycles, or motorcycles or the content of these vehicles.
- Student drivers must follow all Florida Motor Vehicle Rules and Regulations.
- Choice Hardship assignment to a school does not guarantee a parking space.
