About Us

We have an amazing dedicated crew of 40+ volunteers. WS Food Bank is 100% run and managed by volunteers. During the renovations, in addition to their usual roles, volunteers help with moving, cleaning and other tasks to help move the renos along and hold costs to a minimum.

WSFB is an independent food bank, proudly serving the Whitchurch Stouffville community since 1990, providing food, without judgment to those in need. Our funds are donated by the businesses, community organizations, schools, places of worship and the kind caring citizens of WS
